## Final Rites Held for Rev. Leach

Rev. Harry P. Leach, 68, associate minister of visitation at the Congregational Church here, died last Thursday after a brief illness.

Memorial services were held in the church sanctuary on Saturday, with Drs. W. K. N. Heiker and Clayton H. Gill of the Altadena Community Church, and Rev. George W. Lindsay of Sierra Madre conducting the services. The Chancel Choir of the church sang Dean Bode's "How Sweet the Name," and Miss Cathy Franco sang Mr. Leach's favorite hymn, "Love That Will Not Let Me Go."

Mr. Leach was born in Gloucester, England, and came to the United States at 23 years of age. He studied at Drake University, Des Moines, Iowa, and received the Bachelor of Divinity degree from the University of Chicago Theological Seminary.

Pastorates served in this country included Altoona, Iowa; Whiting, Indiana, and Willimantic, Connecticut. In addition, Mr. Leach did educational work in the mission field in Paraguay, and worked under the American Board of Commissioners for Foreign Missions at Guadalajara and on the faculty of Union Theological Seminary in Mexico City.

In recent years, he had served as interim minister at the Glendora Christian Church, the Altadena Community Church and the Sierra Madre Congregational Church, where he was serving at the time of his death.

Surviving Mr. Leach are his widow, Hilma, who has been his helper in his pastoral work; and daughters, Mrs. Thurston Anderson of Shafter, Mrs. F. Parker Smith of Glendora, Mrs. John L. Stennett of San Diego, and Mrs. Richard Johnson of Mexico City. There are, in addition, two surviving brothers, two sisters and 11 grandchildren.

## Local Prospector Invents Gold-Panning Machine

By Marjorie Parker

A restless man, Walter Buckholtz. And a man with a craftsman's skill, a taste for lonely country and not averse to picking up an occasional gold nugget that washes his way.

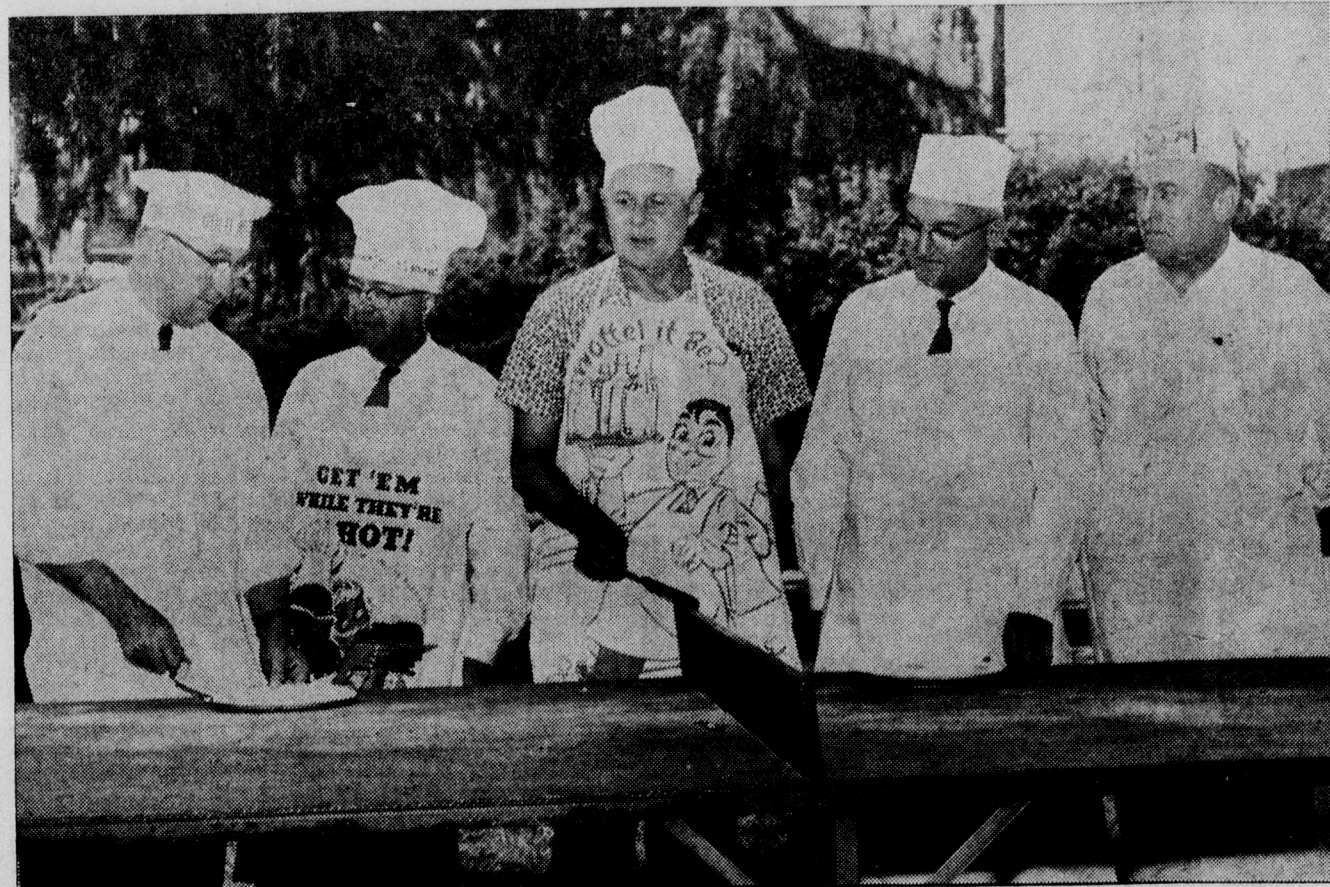

By day, five days a week, Walt tests rockef motors at Jet Propulsion Laboratory. By night he is at home at 306 W. Highland where he has lived for seven years, thinking up something new to do.

Three years ago he thought up uranium hunting and set off for the mountains, fully equipped. After a while he decided, on the advice of experienced men, that local uranium lay too deep to utilize economically.

BUT HE had started picking up odd cactus and odd gem stones and a little odd gold that lay in dry washes. He began to pan by hand and in earnest. From rangers and men in the county recording office he found the areas open for mining—limiting himself to San Bernardino, Riverside and Imperial Counties.

The widow of a prospector, living in a cabin in the San Bernardino Mountains, once showed him the hand rig her husband had made for easier panning. Right up Walt's technical alley, he took the idea and bettered it for his own hand rig.

Then he got to thinking how heavy the rig was to haul around. He went into

See advertisement on Page 6, Section 2.

Dubbed the "Prizeorama," cooperating merchants will award prizes ranging in value from \$18 to \$25 on three consecutive Fridays — June 14, 21 and 28. The drawings will be made on those dates at 7 p.m.

All you have to do is clip the coupons from The Sierra Madre News and deposit them in the proper stores. Prizes to be awarded include lawn accessories, men's clothing and dozens of other items. The contest rules follow:

1. Drawings Friday at 7 p.m. Winning names will be posted inside store and winners need not be present.
2. Prizes must be claimed within one week by an adult.
3. Coupon boxes will be totally emptied each week. To be eligible to win, you must put new coupons in the boxes each week.

## Fun and Food At Garden Fair

The date is Saturday and the time is 11 a.m. to 5 p.m. for the annual Garden Fair at the British Home, 647 Manzanita. There will be booths of needlework, woodcraft and home-baked goods. Luncheon and tea will be

## Art, Craft Fair Opens Saturday

The annual Arts and Crafts Fair sponsored by the St. Catherine's Guild will be held in the parish house, patio and garden of the Church of the Ascension Saturday from 1 to 9 p.m.

Monrovia, Arcadia, San Gabriel Valley, Pasadena and Los Angeles artists will exhibit, including Dorothy Lotts, whose paintings have won awards in Los Angeles, San Francisco, Pasadena and the Orange Show in San Bernardino.

Among the local artists will be Alfred James Dewey, who won fame as a magazine illustrator in New York before coming to Sierra Madre, and B. Ward McVoy, formerly employed by Grauman's Chinese Theater to paint portraits of movie stars for exhibition at the theater.

The Guild committee includes Mrs. Frank Shippey, president; Mrs. Eugene Englar, Mrs. James Cable, Mrs. N. B. Hutton, Mrs. Russell Simmons, Mrs. H. P. Robertson, Mrs. May Bettis, Miss Constance Campbell, Mrs. Lee Shippey, Miss Jean Woodward, Mrs. Harry Martinez and Mrs. Spencer Edwards.

Friends are just as necessary to a successful career as electricity is to a motor.

WALTER BUCKHOLTZ stands beside his "Buckholtz Beaut," a gold panning machine which simplifies his labors as a prospector. The six-gun is for protection against snakes, not claim jumpers or Apaches.

## Who Said This Is a Sleepy Little Village?

A thundering interlude may be expected by Sierra Madrans Friday and Saturday in the form of an extraordinary breakfast that promises to attract more than 2,000 guests, speeches by two notable personalities and an annual art fair.

The Community Breakfast, sponsored by the Kiwanis Club and the Search and Rescue Squad, will get underway at 7 a.m. and continue until 1 p.m.

The affair's main attraction will be the Silver Dollar Bank, which will be open from 11 a.m. to 1 p.m. For just 89 cents, you can buy one silver dollar, vintage 1890, that has never been in circulation.

WITH THIS Liberty buck, you can then get merchandise worth \$1.50 if you spend it before 6 p.m. Wednesday, June 12, at the following stores:

Sierra Madre Hardware, Youngland, Don Jackson's, Sierra Madre Paint & Wallpaper, Ralph's Shoe Store, The Music Shop, Robert W. Lane, Perry's, Rasmussen's, Fashion Future, Arnold's, Hartman's Pharmacy and McKibben Furniture. (See ad on Page 3, Section 2.)

Other Community Breakfast events include:

- One breakfast of pancakes, sausage, orange juice and coffee.
- One essay contest on "Why I Like Sierra Madre" for all school children from the sixth grade or under.
- One motion picture at 10, 11 and 12 o'clock.

SPONSORS had planned also a demonstration showing a rescue by a helicopter, but the craft's pilot, unfortunately, has been called out of town on business.

To complete the two days, Adela Rogers St. John, screen writer, novelist and short-story writer, will be guest

speaker at the Sierra Madre Public Library at 8 p.m. Friday.

Her appearance is sponsored by the Friends of the Public Library.

On Saturday night starting at 7 o'clock, Steve Mitchell, campaign manager for Adlai Stevenson in 1952 and former chairman of the Democratic National Committee, will speak in the Woman's Clubhouse before members and guests of the local Democratic Club.

At the Church of the Ascension on Saturday the annual Pot-pourri Arts and Crafts Fair will be held. Oils, water colors, ceramics, weaving and jewelry will be shown during afternoon and evening.

St. Catherine's Guild will serve afternoon tea and the Parents Club will serve pot-pourri supper between 6 and 7:30.

## Nine Leaks Halt City Water Supply

Leaking water lines disrupted service in a section of Sierra Madre starting Memorial Day and continuing at various periods until last Sunday.

William Noel, Water Department superintendent, said nine leaks developed in water lines serving residents living in the Grand View and Canon Ave. area.

The leaks were caused, he explained, because a larger booster was turned on to pump the added water needed during the recent torrid weather. The leaks are now all repaired.

Mr. Noel also announced that a new automatic electrical control panel is being installed in the Mira Monte reservoir and should be in operation by Tuesday or Wednesday. Installation of the panel will not affect water service.

## News Gets Columnist on Washington Scene — See Page 2

A new columnist appears on the editorial page of The Sierra Madre News this week to add (we hope) to your enjoyment and enlightenment.

He is Robert G. Spivack, 42, Washington correspondent of the New York Post. He has covered the White House beat for the past three years and before that covered New York State and City, as well as national politics.

A close friend of the late Wendell L. Willkie, he has one of the best records for political forecasting of any commentator in the country. He predicted almost exactly the margin of the Eisenhower-Republican victory in 1952. His column is titled "Watch on the Potomac."

## School Board Votes To Censure PEA

## Stern Laws Combat Fire Risk

In the wake of summer's first blast of desert heat, R. F. Droege, supervisor of the Angeles National Forest, announces that strict enforcement of forest fire prevention regulations are now effective.

Although we have had normal rainfall during May, Supervisor Droege stated, grass and chaparral in the mountains are drying fast and creating high fire hazard conditions.

Restrictions are now being placed in effect and will continue through December 15 unless sufficient rainfall justifies earlier removal.

The following acts are prohibited in the national forest:

Building a campfire without a permit from a forest officer.

Smoking during periods of fire danger publicly announced by the regional forester upon such areas as may be designated by him, which may include roads and trails and improved camping grounds but shall not include places of habitation.

The throwing or placing of a burning cigarette, cigar, match or any ignited article where it may start a fire, and the discharging of any kind of fireworks on any portion of the forest closed by the regional forester.

Having in possession or firing or causing to be fired any tracer bullet or tracer charge across such lands.

## Roberts Grand Opening June 20

The grand opening of the delicatessen addition to Roberts Market has been delayed by one week, Harold Roberts, the owner, announced yesterday.

Mr. Roberts said an unexpected delay in the installation of fixtures forced him to schedule the opening for June 20 instead of the 13th, as announced in The Sierra Shopper this week.

## Local Girl in Starlight Court

Ann Austin, daughter of M. D. Austin, 190 S. Mountain Trail, has been chosen as one of four attendants of Hollywood Bowl's Starlight Queen for 1957.

Miss Austin, an Occidental student, will be presented with the court at the Bowl, July 13, when the eighth annual Rodgers and Hammerstein concert is to be played.

## Sibbet Withdraws; Backs Poole, Meguir

By Lucie Lubisch

Two eleventh-hour developments added interest to the vigorous campaign which has been waged for the Pasadena Board of Education election tomorrow.

1. James H. Sibbet, a bachelor who has campaigned on a "put religion back in the schools" basis, withdrew from the race, leaving eight candidates seeking the three vacancies on the Board. His name will appear on the ballot, however, since he dropped out after it was printed.

2. The present Board voted Tuesday night on the Pasadena Education Association (PEA), whose membership comprises approximately 93 per cent of the teachers, charging they "engaged in partisan political activity during school hours with the use of the school facilities in support of a slate of three candidates."

The Board room was packed with spectators and a score peered through the doors as they stood in the hall outside during the meeting, because the Board had promised a statement on charges against the PEA.

The censure was made after a series of executive sessions of the Board during the past week, with a number of teachers and other school personnel called to testify after several parents complained that teachers were engaging in political activity at school. Among those testifying were Mrs. Bess deGamboa, principal,

"The Board has concluded that, except in the latter instance, the activities of the Association have permeated substantially all of the Pasadena city schools and that such conduct on the part of school personnel is in direct violation of the California Education Code, and that it is sufficiently serious in nature as to require the Board to continue its investigation to ascertain the existence of other reported violations."

In his statement regarding his withdrawal from the race, Sibbet said he felt he could not win because he had "no campaign funds or organization sufficient to defeat" the three Citizens Supporting Good Education-sponsored candidates—Mrs. LuVerne LaMotte, Steve Salsian and Walter Shattford.

He said he wished his supporters to vote for John Poole, Don Winton and Malcolm Meguir and did not wish to split the vote in their drive to defeat the CSGE trio. Poole, who originally was a "lone wolf" candidate, last week stated he would prefer to have Winton and Meguir serve with him should be elected.

Two independent candidates are left in the race, Miss Mabel Fossler and Laurel McElwain, both of whom have been defeated in previous Board races.

The committee in charge of the dessert meeting includes Mrs. Nathaniel Van de Verg, Mrs. George Osborn, Mrs. Walter D. Thurber, Col. Charles Morrison, Robert de Weese and Charles Tye. Interested persons are invited.

## BACK DOWN UNDER

Mrs. Mary Carthew, mother of Diana Rosner, 166 Vista Circle, left yesterday for her Australian home after an eight-month visit in Sierra Madre.

PAINTINGS WHICH will be displayed at the Arts and Crafts Fair at the Ascension Church this Saturday afternoon and evening are studied by some of the artists and by members of St. Catherine's Guild, the organization that is sponsoring the affair. From left are Dorothy Lotts, Mrs. Frank Shippey, Mrs. Spencer Edwards and Mrs. Lee Shippey. (Photo by Ann Tyler.)

### Cake Recipes Favorites Of Mrs. Carl Gerke

By Toni Maurin  
SY 7-9634

When I called Mrs. Carl (Gertrude) Gerke, 602 Mari-  
posa, to get a recipe, she said that she really didn't think  
she was much of a cook and why would I want her? I  
know as well as her hoard of friends that she cooks as  
she does everything else, with amazing rapidity with many  
things brewing at once.

She gave me two of her  
favorite cake recipes, and  
although I know it is much  
easier to use a packaged  
cake mix they are a far cry  
from the old fashioned way  
of creating a cake.

With berry season soon  
upon us, these cakes serve  
as a wonderful compliment  
to any dinner.

#### ANGEL FOOD CAKE

1 1/2 cup egg whites  
1 tsp. Cream of tartar  
1 1/2 cup sifted cake flour  
1 tsp. almond extract  
Pinch of salt  
2 cups sifted sugar  
1 tsp. vanilla

Beat egg whites and salt  
until frothy and then add  
cream of tartar and contin-  
ue to beat until stiff but not  
dry. Slowly fold in sugar  
and then add flavoring.  
Lastly, fold in flour a little  
at a time. Bake in an un-  
greased tube or large loaf  
tin at 325°F. for one hour.  
Place inverted on a cake  
rack until cold before re-  
moving from pan.

TO TAKE care of the egg  
yolks Mrs. Gerke gave me  
this recipe, and it is abso-  
lutely delicious.

#### EGG YOLK CAKE

3/4 cup egg yolks  
1-3/4 cup sugar  
1 tsp. vanilla or 1 tbs.  
orange juice and 1/2 tsp.  
lemon flavoring  
2 cups sifted cake flour  
1 whole egg  
1/2 cup cold water  
2 tsp. baking powder  
Pinch of salt  
(1 tsp. grated orange or  
lemon rind optional)

Beat egg yolks with salt  
till lemon colored and then  
add whole egg and beat un-  
til blended. Add sugar grad-  
ually and then add water  
and flavoring and beat. Fold  
in flour and baking powder  
that have been sifted to-  
gether. Turn in to an un-  
greased tube pan and bake  
at 325°F. for 60 to 65 min-  
utes. Invert on a cake rack  
and allow to cool before re-  
moving from pan.

Both of these cakes may  
be frosted, dusted with pow-

dered sugar or served with  
whipped cream and berries.

IT WOULD be hard to give  
you a full resume of Mrs.  
Gerke's daily life. She is one  
of these active people that  
seems to have boundless en-  
ergy. She'll whip up a dress  
and then run, and I mean  
run, out to the garden to do  
a little planting or weeding  
with great gusto.

Her garden has always  
been a source of great en-  
joyment to her and to her  
friends. If you chance to ad-  
mire particular bloom she is  
apt to take it right out by  
the roots and hand you the  
whole plant as she dashes  
off again on another project.  
Not only does she have a  
great many projects, but she  
manages to give full atten-  
tion to each one.

She is very active in the  
Faith Lutheran Church as  
well as the Good Shepherd  
Home of the West, a home  
for retarded children.

She is the mother of four  
children. Margaret, her eld-  
est, is publicity head of the  
Orange County Fair and  
works at Costa Mesa. Her  
son Richard is married and  
has four children. Her  
daughter had her third child  
and her first boy on the day  
I interviewed Mrs. Gerke.  
Ruth, her youngest, just re-  
turned this last year from  
Europe where her husband  
was stationed in the service.

Mr. Gerke is with the Los  
Angeles County Flood Con-  
trol as a field engineer  
working out of the Downey  
office.

#### Mrs. E. G. Crockett Attends Reunion

Mrs. Emily G. Crockett,  
137 E. Sierra Madre Blvd., is  
attending the 50th reunion  
of her graduation class at  
De Pauw University, Green-  
castle, Ind.

While in college, she was  
made a member of Kappa  
Alpha Theta sorority and  
Phi Beta Kappa fraternity.

## Son of City's Founder Was Mountain Pioneer

By Bill Wark

Of all the tales of the trails, in our local mountains, none could tell, or write them more delightfully than Arthur N. Carter, eldest son of the founder of Sierra Madre. Mr. Carter traveled the mountains in the early days, and his warm personality created many friends among the mountain pioneers. It is with many thanks to Will H. Thrall that we are able to bring you Mr. Carter's tales as he wrote them.

"Chillia (Chillao) though still beautiful was far more so then in 1890 Louie Newcomb, one of the best known mountaineers of those days, built his cabin there. It wasn't much of a cabin, the walls were only three big logs high, the roof and gables thatched with slabs, bark, anything which would turn rain and snow, and the door so low that one doubled up to go in, but it was a landmark of those days and the scene of many a joyful gathering of mountain folks.

"During Newcomb's first years at Chillia it was occasionally visited by bands of Indians who came back to their old camping ground on hunting trips through the range. There were also bears in those early days and it is told that Tom Lucas, known to many of the old timers as 'Barefoot Tom,' one of the first Rangers, killed the last grizzly seen in these parts, near the east end of Chillia in 1898.

"NEWCOMB's only neighbor during those early years was William Sturtevant, mountaineer and packer, who built the Sturtevant

Trail, Sturtevant Camp, packed lumber for the first Mt. Wilson Hotel in 1905 and shared with him the reputation of being the best posted on mountain country. Sturtevant's cabin was in the notch at the head of Devil Canyon, between Mt. Waterman and Twin Peaks and could be plainly seen from Chillia.

"My first visit to the area was in late summer of 1890 when, accompanied by Kent Wible, and with a burro to carry the supplies, we hiked the old trail from Sierra Madre. Our route was by the old Mt. Wilson Trail to Mt. Wilson, down the Rattlesnake Trail to West Fork and up the old, steep trail by Valley Forge canyon to Barley Flat, the last few miles so steep that our burro could scarcely make the grade. We arrived in camp at the old east spring on Barley Flat just before sundown and in the rays of the setting sun the rocks and cliffs of Waterman Ridge, to the northeast, stood out like great, medieval castles of old.

"The next night we camped on Pine Flats (now Charlton Flat) a short distance east from where the little log cabin Ranger station was later built. Here I shot a deer which furnished us meat for the balance of our stay. Later we went on to Chillia and the first night there our burro was restless and frightened.

"IN THE early forenoon two boys, Roach and Graham from Pasadena, came over the trail from the Crystal Lake country. The pack on their burro was covered with a white canvas and our burro on sighting that, with a snort and a mighty lunge, broke his picket rope and started for home with myself trailing as best I could.

"He was soon out of sight, hitting a pace that was sure fast for a burro, and the next I saw of him was five miles on the way, going down the slope into the Big Tujunga. Sighting me, with a snort he was away again and I gave up the chase as hopeless, but what I told that burro was the first short wave broadcast on record.

Returning to camp I found large, fresh bear tracks and the scent of that bear must have been the reason for his hurry. Later the Cooper brothers, Tom and Ike, coming into camp, reported that they had caught and tied him at the foot of Barley Flat Trail. As Roach and Graham wished to stay but were out of provisions and we had provisions and had to go, they brought back the burro in exchange for food and we left for home."

(To be continued.)

## TOURS DISCONTINUED

Regularly scheduled guided tours of the campus and laboratories of the California Institute of Technology were discontinued last Saturday (June 1), to be resumed in October with the beginning of the school year.

CLAIRE PESEK, daughter of Mr. and Mrs. Clarence J. Pesek, 633 W. Alegria, became the bride of Dougall W. Boyd, son of Mr. and Mrs. Thomas W. Boyd of China Lake, May 5 in the Santa Barbara Mission, China Lake. The bride is a graduate of St. Rita's Parochial School and will receive her diploma this month from Pasadena City College. The couple will make their home at Ridgecrest, Calif.

# ELECT THIS MAN

MALCOLM F. MEGUIAR

# If You Want GOOD Education — Pick Meguiar

TOMORROW IS THE DAY — That is the day you have the right and the duty to vote. Your vote will elect three people to the Pasadena Consolidated School Board for FOUR long years. You have a great decision to make, one that may change the whole educational policy of this great city and its immense school system.

PICK A MAN — Do not be misguided into making a "grab-bag" choice. Keep your eyes wide open and select your School Board members one by one. Pick people you know and trust. Elect people of proved performance who have demonstrated their abilities as civic leaders — pick people who can be trusted with the future of our children.

PICK A GOOD MAN — Malcolm F. Meguiar is a good man. He is a church official, a College advisor, a leader in counseling young people, a Director of Boys' Club, a Boy Scout official, a father, a grandfather, a solid, successful and respected citizen without enemies.

PICK A MAN WHO KNOWS MONEY — Your own school administration has said that in School Board activities, three-fourths of all the business involves dollars and cents. Contracts, purchases, hiring, wages, hours, these are the things your School Board faces in three-fourths of all its decisions. Malcolm F. Meguiar, as co-owner and director of a great manufacturing firm, knows how to manage money and get its full value.

YOU ARE THE MASTERS — By laws of State, County and City, the Pasadena School Board is YOURS. It is not to be the "rubber-stamp" endorsee of teachers and certain professional educators. It is not to be the special tool of pressure groups. It is YOURS, to represent YOU, the men and women who pay the taxes and send your children to school for an education in the skills and the ideals we treasure. Just be sure that tomorrow you elect Malcolm F. Meguiar to represent YOU.

## WHERE MEGUIAR STANDS

WAGES — He knows that good labor comes high. He believes that teachers should be paid at the highest possible level.

WORKING CONDITIONS — He wants more and better schools with the very best of modern equipment and teaching aids. He thinks that both teachers and classified employees should be benefitted.

TAXES — He knows that waste, inefficiency and duplication in school operation eats up tax dollars far faster than do good wages for teachers. He operates one of the most highly-mechanized factories in the West. He will turn his genius to getting better schools with better management.

PEACE ON THE BOARD — Meguiar has been a leader and worker on many civic organizations through the years. His strong point is in getting people to work together. This next few years will call for someone of great patience, tolerance, and ability to arbitrate. Meguiar is this man to bring Peace to the Pasadena School Board.

GOOD, SOLID EDUCATION — Every day in business Meguiar meets graduates of our schools. He sees their strengths and their weaknesses. He will work to give ALL students a solid, substantial education, one that will fit every student for his place in adult society and insure him a chance to rise to the very top. Meguiar will leave no stone unturned, no methods unnoticed to bring Pasadena and its children Good Education.

Here's What You Serve At A CHICK-N-QUE To Make It A Sure-Fire Success!

- CHICKENS BARBECUED
- OCEAN SPRAY CRANBERRY SAUCE
- POTATOES BAKED IN REYNOLDS WRAP
- TOSSED GREEN SALAD
- COCA-COLA

**Recipe for Chick-N-Que Sauce**

3 Tablespoons Sugar  
1 1/2 Teaspoons Tabasco  
1/2 Cup Mazola Oil  
3/4 Cup Lemon Juice or Cider Vinegar  
1/4 Cup Water  
1 1/2 Tablespoons Salt

To Prepare Sauce: Measure Mazola Oil, lemon juice or vinegar, water, salt, sugar and Tabasco into saucepan. Heat to boiling. Keep hot for basting chicken. Mix thoroughly before each basting. If you prefer a highly seasoned sauce, increase Tabasco and add mustard and Worcestershire sauce. To Barbecue Chicken: \*If using halves or quarters, hook wing tip behind shoulder joint and cook slowly until tender, barbecue sauce. Place on grate set 12 inches or more from heat. Turn frequently and basting each time. Allow 1 to 1 1/4 hours total cooking time. Drumstick should twist easily out of thigh joint. If parts are used, thickest pieces should be turned frequently. Just before serving brush chicken with any leftover sauce or use for dunking. \*Excellent results depend upon slow cooking—glowing coals (not flame) and proper distance from heat.

## Pools Can Be Dangerous; To Learn to Swim Is Not Enough

Swimming Specialist Urges All Families  
 To Learn Water Safety to Protect  
 Themselves as Well as Others

If you own a swimming pool or use a neighbor's pool, your first thoughts should be—Am I and my family safe in the water? Do we know what to do to prevent an accident in the pool? Can we help ourselves and others whose lives may be in danger? If you have not had adequate training in water safety, you are taking chances when you swim. You may suddenly find yourself in a helpless situation where you need to save yourself or go to the aid of another per-

son. TO LEARN WATER SAFETY IS A MUST whether you are young or old. This is the advice of DR. PAUL GERRISH, who has been teaching SWIMMING AND WATER SAFETY for the past 32 years. He invites you to visit the GERRISH SWIM SCHOOL at 3001 E. FOOTHILL BLVD., PASADENA, for yourself and see both little children and adults learning how to REALLY BE SAFE IN THE WATER or you may phone SY. 3-3001 for further information. —Adv.

## Phone Rate Request Provokes Protests

Public Utility Commission hearings on a \$1,472,000 rate raise for California Water and Telephone Co. already have produced a housewives' tempest and an angry flood of letters for the commissioners.

According to reporters for the metropolitan Mirror-News, hearings last week in the downtown chambers were starred with the appearance of housewife Mrs. Jill Housinger of Sepulveda who introduced herself as a "subscriber and representative for 1,100 subscribers of the drip and tinkle phone company — when it rains it doesn't tinkle."

THE INCREASE which the company seeks would range from 25 cents to \$2.20 a month for local and extended service.

California Water and Telephone serves Sierra Madre, Monrovia, San Fernando, Sepulveda as well as Redlands, Banning, Beaumont, Palm Springs and a host of smaller communities.

Mrs. Housinger took the hearing stand with a story of trying for eight minutes to get a connection through when a fire broke out in her kitchen April 13. She also complained that when she told phone company offices she believed she was being overcharged, she was told she could not have an itemized bill unless she paid an additional 50-cent fee.

COMMISSIONER Rex Hardy ordered Company Counsel Claude Rosenberg to have an inspection made of equipment in Sepulveda, to check on the fire incident and Mrs. Housinger's report that rates had been altered. Meetings have been held in Redlands and another Public Utilities Commission hearing is scheduled for Monday, June 10, at 145 S. Spring in Los Angeles.

According to the Los Angeles paper, letters pouring in on the Commissioners complain of "dead trunk lines, constant busy signals, interruptions on private lines and unsatisfactory extended service."

VILLA  
VIEWSBy Toni Maurin  
SiCmore 7-9634

I hate to look forward to this month. There is so much to be done at the very end of the school term. Children are under pressure as they study for their final examinations; parents are trying to get through with all of those jobs they were going to do while the children were in school.

Tension is mounting as the little ones start counting down days before their summer vacation. Plans for trips are in the air everywhere you turn and we're all digging out the old summer wardrobes hoping that now that June has come we'll at last get some weather we can count on. And I can hear already before vacation starts, "Mommy, there is nothing to do!" For this they work a whole school year.

**MR. AND MRS. George Clark** of 1525 Old House Road recently entertained the Sunday Supper Club (on a Saturday night, matter of fact) at a potluck party. Among the guests were Messrs. and Mesdames William Friedrich, Neil Conroy, Adolph Huber, Charles Brinton, Gerald Ferracane, John Gero and William Saunders. Last weekend the Clarks joined several friends for a five-day weekend down at the La Grulla Gun Club near Ensenada.

**MR. AND MRS. John Fricke** of 3366 Barhite had a dozen people in the other night after a dance at the Huntington-Sheraton Hotel.

**MRS. GEORGE HOLMES** of 1550 Old House Road entertained last week at a lovely bridge luncheon. Among the guests were Mesdames E. Marshall Harris, Ira Lackey, Joseph Phillips, George Clark, Larry Garland, F. R. Anderson, Norman White, John Chapman, Robert Mueller, David Elmer, Ernest Maurin, Aikman Armstrong and Charles Goldsworthy.

**MR. AND MRS. Peter K. Farley** of 1774 Sierra Madre Villa are the proud parents of a new baby son, born May 13 at the Huntington Memorial Hospital. They named him Jeffrey Peter. He has three sisters, Sally, 15; Christine, 6½; and Cynthia, 3½.

**IF YOU** would care to inquire from Mrs. David Philip, 1694 Sierra Madre Villa, as to her opinion of the great ditch that has been in front of her house for the past week or so, I'd advise you to stand back. She missed last week going over the bridge and had to be hauled out by the Auto Club. Grrrr.

**HAPPY** to hear that Mr. H. D. Wexelberg of 1233 Wynn Road is home from St. Luke Hospital and making a very satisfactory recovery after his surgery.

**IT WOULD** be sheer neglect if I didn't mention the fact that "Mesa King," the Ira Lackeys' (1484 Old House Road) beautiful boxer, has been doing himself proud in some of the recent dog shows. He recently won his American Bred class in the Sun Maid Kennel Club of Fresno, competing against 15 other boxers, and also at the Beverly Riviera Kennel Club, competing against five other boxers. He was entered in the Pasadena Kennel Club show, but I haven't heard the results of that one yet. In addition to the shows, he is the sire of seven magnificent boxer puppies, of which the Lackeys get the pick of the litter.

**MR. AND MRS. Pete Mazetti** have finally moved into their beautiful new home at 1320 Wynn Road. They are rather appalled at the job that faces them, as their property covers a large lot on Wynn as well as Trevan Road and Sierra Madre Villa. They have moved here after living on a ranch in Puento for 27 years where Mr. Mazetti has worked with his father in the Old Mill Winery. They have one married daughter.

Club Juniors  
Hold Annual  
Dinner Dance

Shakespeare Club Juniors and their husbands met last Saturday night at the Oakmont Country Club for their annual June dinner dance.

Sequin sparkled clocks, circled by miniature dancing figures, carrying out the theme of "After Five," centered each table.

Mrs. Ira C. Matthiessen, general chairman, was assisted by Mrs. Charles R. Hickman and Mrs. Marvin R. McClain, table decorations; and Mrs. William K. Cameron, Mrs. Gale L. Wopshall and Mrs. George H. Morales, reservations.

Among those dancing to the music of George Booth and orchestra were Mr. and Mrs. Langdon H. Tannehill, Mrs. Stanley A. Newlin, Mr. and Mrs. William M. Laub, Mr. and Mrs. George B. Newhouse and Mr. and Mrs. Robert G. Cushman.

## JUNE GRADUATES

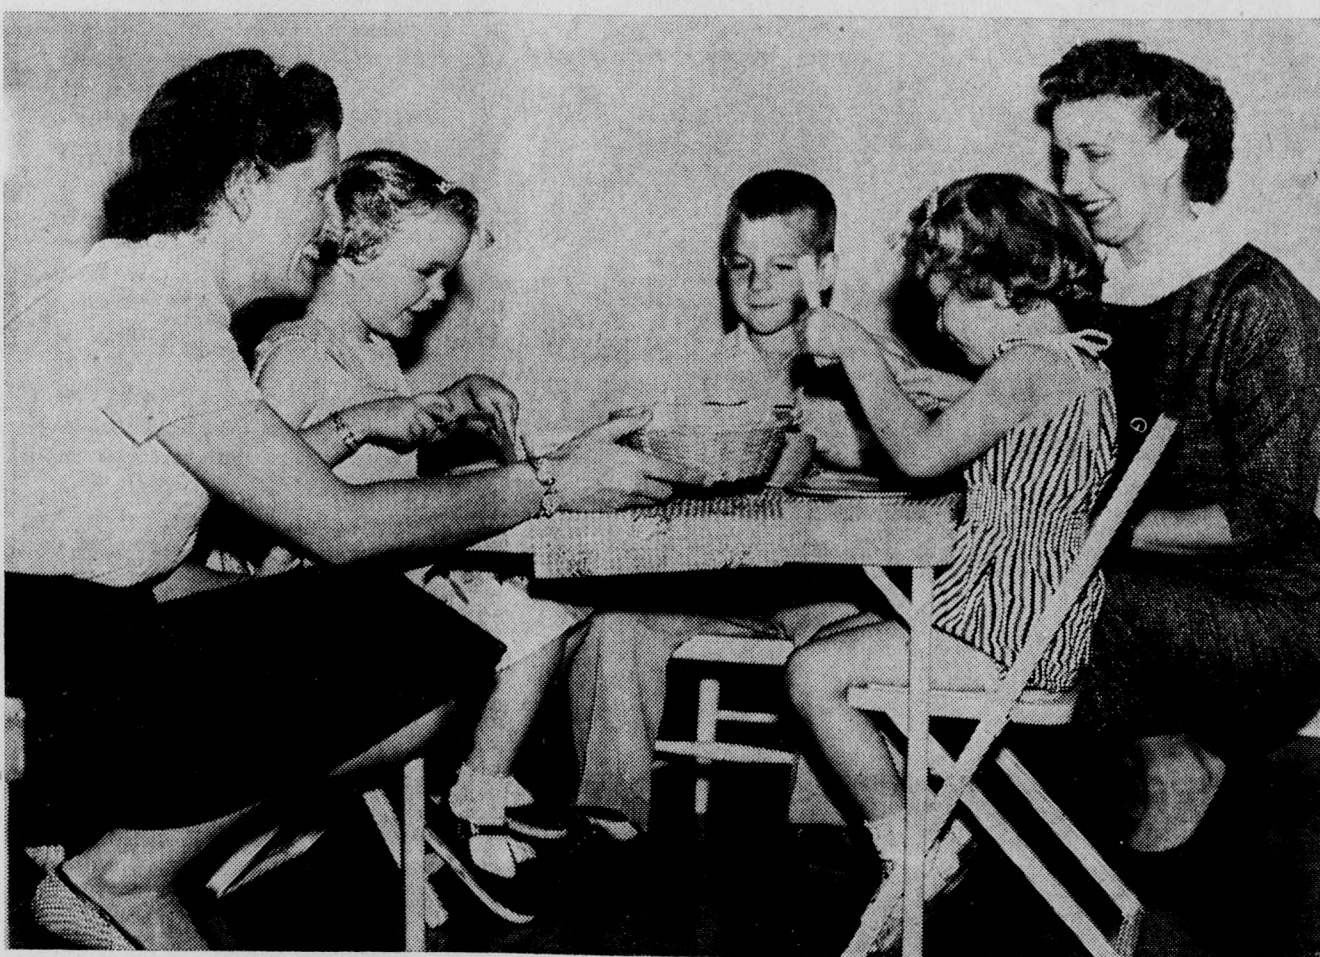

The University of California, Santa Barbara College, will confer Bachelor of Arts degrees Saturday on Sierra Madreans Thomas J. Cox, 269 E. Laurel; Marilyn Jane Nollac, 507 E. Grandview, and Ronald M. Westerman, 56 Suffolk. Mr. Westerman is son-in-law of realtor Harry Lange.

## McCANDLESS IN U. S.

Navy Ens. John R. McCandless, son of Mr. and Mrs. H. A. McCandless, 245 W. H. Grandview, arrived in Alameda, Calif., May 20 aboard the attack aircraft carrier USS Shangri-La. The arrival of the Shangri-La concluded the second six-month Far Eastern cruise with the U. S. Navy's Seventh Fleet.

WHEN SIERRA-HASTINGS Blue Birds and Camp Fire Girls attend their Camp Wasewagen in the San Bernardino Mountains next month, these girls will feel at home. They and their parents recently attended a weekend Wo-Pa-Pa, which means "work party for parents," at the camp to help get it in shape for summer fun. Mothers cooked, mended mattresses and raked pine needles away from the buildings according to fire regulations; dads pitched tents, did carpenter work, moved boulders, hauled away debris; and all the kids helped, too. A few, here striking a pose, were (left to right) Barbara Shanks, Peter Hurtig, Susan Hurtig, Karen Buttane, Mrs. Hurtig, Susan Sabin, Robin Duke, Nora Justice, Ann Lubisich and Jamie Johnson.

SCENES LIKE this are daily occurrences at the Hastings Ranch Nursery School, as parents and observers will find out during open house today from 6 to 8 p.m. at Trinity Presbyterian Church. Shown from left are

Susan Oberlies, Scott Criddle and Valerie Hitchcock. Also shown are Mrs. Lee Carmichael, new director of the Nursery School, and Mrs. W. R. Pankey, school president.

Dance Club  
Will Employ  
Calypso Theme

Members of the Hastings Ranch Dance Club will dress the part when they use a Calypso theme for their June dance Saturday night at the Shadow Grove Road home of the William Caldecotts.

Cocktails and dinner will precede dancing on the patio. A prize will be presented to the most appropriately dressed couple.

Host couples, in addition to the Caldecotts, will be Mr. and Mrs. Jack Partch and Mr. and Mrs. George Lenney.

Mrs. Gittinger  
Chairman  
Of Workshop

Mrs. James A. Gittinger is the new chairman of the recently formed Workshop of the Hastings Guild to Cystic Fibrosis Foundation.

The group is currently working on the table decorations for "September Affair," a dance sponsored by the Guild annually, which is slated for Sept. 14 at the Huntington-Sheraton Hotel.

Those members participating in the Workshop are Mrs. Alpheus L. Pruitt, Mrs. Paul E. Adams, Mrs. Paul G. Kapony, Mrs. Brooks Thomas, Mrs. Henry Asher, Mrs. Al Tompkins, Mrs. Robert M. Fainer, Mrs. Frank H. McKibbin, Mrs. J. Cranor Richter, Mrs. William K. Shiner, Mrs. Bill Garr and Mrs. John A. Moe.

The next meeting is scheduled for June 19 at the home of Mrs. Thomas, 1210 Tropical.

## Hastings Teen Times

By Pat Smith  
ELgin 5-1903

The Memorial Day assembly a week from yesterday was opened with numbers by the chorus directed by Miss Lowe.

The 4th period speech class presented "Mr. Flag Maker," which was narrated by David Christmas. Awards were given to the four outstanding students in the 10th grade. Linda Marazzi and Claes Kland received the Rotary award. Doris Cottam and Steve Smith received the Kiwanis award.

These kids did not know that they were receiving the award. Therefore when their names were called screams were heard. Their parents had been called that morning so they could see the awards presented.

Jerilyn McIntyre, a 9th grade student, was presented a \$25 Savings Bond for winning the regional essay contest sponsored by the Businessmen's Association. Jerilyn also won a \$100 Savings Bond for winning the state contest.

**FRIDAY** was the 7th and 8th grade reward for winning the Dig-Out the Dug-Out campaign assembly. Coach Tony Linehan was MC and he did his funny imitations of animal and bird calls.

Linda Jordan, Helen Goldby, Linda Ellis, Judy Jennings, Yvonne Ulrich and Andy Manning did the Charleston. Mike Shantrom from PHS played the piano and told stories. His specialty was "Little Brown Cow."

**JUST ONE** more week of school. Yes, that's right, seven more days until grades. A week ago today was Memorial Day, the last holiday before school is over for everyone except the kids who are going to summer school. This holiday was spent in many different ways.

Norman Kremler attended the Ford Stunt Show. Deanna Vaniman went to Palm Springs. Gretchen and Donna Shultz spent their time at Bal. Sheila Donnell also went to the beach. Steve Smith was at Lake Arrowhead, Ditty Dittberner and Pat Dickson went to Santa Barbara to swim. They stayed at the Ming Tree.

Meredith and Pat Smith went with their families to Carpinteria State Park. The Mitchells took their boat, "Haze," and we took ours, "Mama's Mink." We all had a great time. Mr. Mitchell enjoyed skin diving. Mr. Mitchell, Mr. Smith, Marty, Cliff and little brother George enjoyed fishing. All of us had a lot of fun water skiing and swimming also. I would like to know where you are going this summer.

By Joan Kaponya  
ELgin 5-2015

Hi! Activities at Marshall continued as usual last week, but the big item was a constant flow of discussion about vacation plans for the summer.

Last Friday the Junior Dance of the year was held. Among the kids attending the last dance were Sandy Lansdale, Dave McCloud, Hardie Phillips, Kay Pearce, Randy Stevens, Joanna Schmale, Penny Gouge, Mike and Jon Essa, Joy Eassa, Sue Ostrander, Lindy Morris, Joyce Tenner, Nancy Heath, Ann Furstenberger, Bonnie Pierce, Roger Retting, Dave Malimier.

**POM POM!** The final Pom Pom girls were chosen last week for next year's activities. They are Sara Bolar, Barb Brown, Barb Captain, Janet Dickson, Chris Dintwiddle, Judy Fisher, May Gage, Dixie Grieve, Jinny Hieslep, Sally Keller, Dianne Knapp, Linda Larue, Ingrid Manguson, Cynthia Murfee, Nancy Nielson, Sharon Schmale, Beverly Sewell, Joan Stime, Sharon Swinney, Susie Lange, Sandie Taves, Maureen Wride, Linda Zasio, Betty Zook. Substitutes: Linda Brown, Cynthia Ellet, Cathy Griffith and Andy Vingoe.

**HAIR CUTS** get a lot of attention nowadays; Sara Bolar got her hair cut into a duck tail, while Barbara Captain had her hair styled into a page boy; both look real cute.

Kella Pratt moved to Westwood last Friday, but she's staying with her grandmother until school is out so that she can be with us until the end of the semester.

**IF YOU** kids want a real ball I'd recommend Las Vegas. It's sure is fabulous. Such outstanding talent in one place.

We saw Jane Powell, who was her usual wonderful self; also the Teresa Brewer show, which was above par, too. But best of all was the Rhonda Fleming show at the Tropicana, perhaps the most beautiful spot in Vegas. Rhonda's show was by far the best and her fellow entertainers were all high class, too, especially a group of Calypso dancers. Went swimming and had "other" fun, too, if you know what I mean.

Tell us about your vacation plans. See you next week.

Taft, Charlotte Stump, Cara Reynolds, Marty Scarrion, Josie Hicks and Bonnie Buckle attended.

**P.S.**—The Prom at Wilson's is tomorrow night. And I would like to thank the kids who have been calling in the news.

## Ranchettes

Mr. and Mrs. Russel E. Burkett Jr., 1375 Rexford, are the parents of a daughter, Teresa Ann, born May 18 at St. Luke Hospital, weighing 7 pounds, 2 ounces. The maternal grandmother is Mrs. Eloise Goodwin of Fullerton, Calif. The paternal grandparents are Mr. and Mrs. R. E. Burkett Sr. of Hermosa Beach. The new arrival has a brother, Rusty, 4½, and a sister, Lora, 3.

Local Panhellenic  
Slates Luncheon

Foothill area Panhellenic will meet next Saturday in the Arcadia home of Mrs. T. J. Brodhead, 261 Arbolada Dr., for a luncheon honoring this year's scholarship winners, Armlida Villalobos of Monrovia-Duarte High School and Jean Marie Cleary of Arcadia High School.

Hostesses for the event will be new members of the organization.

## Sports in Haste ...

Dodgers, Beavers Hold  
Slim Leads in League

By Charles Ayres

The Dodgers and Beavers held tenaciously to slim leads in their respective divisions as the Hastings Little League season passed the one-quarter mark.

Two wins apiece kept the league leaders in command although the Braves and Stars were set to take over if they falter.

A combination of solid hitting and loose fielding by the opposition gave the Dodgers a 24-8 win over the Tigers and an 18-9 decision over the Indians. In each game the opponent committed nine errors to make the leader's job easier. Steve Stubbs' three hits in four at bats was the shining light for the Tigers but it served to no avail.

**EARLIER** in the week Jay Frontino followed teammate Phil Olwin's no-hit performance with one of his own in blanking the Tigers 6-0. Game statistics show the Tigers committed six errors while Frontino struck out 14.

The Braves finished the week by swamping the Reds 9-1 aided by the Reds' loose fielding. Phil Olwin's three-hit pitching and Frontino's home run. A scoreless inning was played by the two teams in an attempt to break their early season tie.

The Yankees and Reds tied up in a 9-9 deadlock after six innings of hard play. Coddington of the Yankees and Calmer of the Reds swatted home runs in a game that saw each team score four runs in the final inning. Earlier the Yankees enjoyed a big seven-run 4th

## Sharon Vis Wins Grand Prize on Memorial Day

Several hundred spectators lined Sierra Madre Blvd during the traditional Memorial Day parade here and nearly 350 children, the VFW and its auxiliary participated.

Outstanding in the parade were vehicles decorated in red, white and blue, all competing for the six prizes donated by Hartman's, Arnold's, Garland's, Hornaday's, Reece's and the Sierra Madre Hardware.

The grand prize was won by Sharon Vis. Other prizes were won by Terry Colbert, Sherry Wingate, Dick Vis, Scott Couchman and Alan George. Judges were Bob Osti, Don Colbert, Harry Holland and Mr. Bartello.

Decorated floats and three U.S. Army tanks manned by members of the National Guard marched down Sierra Madre Blvd. to the local cemetery. Also in the parade were three Model T Fords driven by Bob Vis, Bob Streeter and Dan Post.

Commander Schmitt of the VFW conducted services at the cemetery and Dr. Robert Schaper of Bethany Church spoke.

Lawrence Perry read the names of dead veterans, while Edward Wales, a veteran who appeared in a wheel chair, spoke on the meaning of Memorial Day.

The VFW Memorial Day Committee already is planning next year's parade. The

committee hopes to obtain commitments from local schools to provide band music, the most notable exclusion from this year's parade.

## Cub Pack 371 To Picnic Sunday

Cub Pack 371 will hold its annual picnic this Sunday at 4 p.m. at the Sierra Madre Villa Park, cubmaster William Barnes announced yesterday. The pack, which usually meets at the Congregational Church, is holding its closing pack meeting for this season at the family picnic.

Cubmaster Barnes will present awards to cubs who have been working to earn their badges and arrows.

Assistant Cubmaster Wallace DeBuhr will conduct the games and lead the singing. Families will bring their own food and milk while the pack will supply the coffee and desert.

## GRAND OPENING

The Cedar Inn, owned by Sierra Madreans Bill and Til Guardia, opens tomorrow night at 226 1st Ave. in Arcadia. The Guardias, father and son, have lived in the Sierra Madre area for 30 years, formerly owning the Guardia Lumber Yard in Pasadena.

## The Scoreboard . . .

### Braves Win Again; Lead League by One Game

By Chas. Abbe

RED SOX 14—ORIOLES 8

Doran Brett's four-hit pitching led the Red Sox to their second win of the season, with Weston giving up eight hits as the losing pitcher. The Orioles, although scoring first when Brown was driven in by Chavarria's single, were snowed under in the third inning when the Red Sox scored seven runs on five walks, a double by Brett, and a single by Barry.

SIERRA MADRE MINOR LEAGUE STANDINGS		
	W. L.	Pct.
Braves	4	0 1.000
Dodgers	3	1 .750
Yankees	2	2 .500
Red Sox	2	3 .400
Orioles	1	2 .333
Indians	0	5 .000

**BRAVES 14—INDIANS 7**  
The Indians came to life, at least in their hitting and fielding, to give the league-leading Braves an unexpected tussle most of the game. Pitching is still the Indians' problem, although their four errors to the Braves' two helped beat them, too. Thirteen Braves fanned, to 10 for the Indians, with walks being evenly divided, five to six, respectively.

Highlights of the game: Some brilliant stops at second base by Tim McDonough of the Indians; home runs by Mike Johnson (Braves), and David Caswell (Indians).

**DODGERS 6—YANKEES 5**  
In one of the best games this season, the Yankees led off and scored three runs on M. Menes' and Broomfield's singles, Burke's double, a Dodger error, and Schoemaker's single. The Dodgers came back strong in their half of the first inning to score twice on singles by Graham and Nuetzel and a Yank error. No score in the second. Yanks got one run when Burk singled and was driven home on Ames' single in the third. The Dodgers, though, picked up two runs to tie it up at 4-4. No runs in the fourth and fifth in-

nings. In the sixth the Yanks scored once when Ames and Schoemaker each singled, but Paulus grounded out and Duff and Laschowski fanned. The Dodgers roared back to score twice, and win, when Fred Nuetzel walked and Dennis Over hit one past the Yank right-fielder for a home run scored as an error.

**NEXT WEEK'S SCHEDULE:**  
June 11—Yanks vs. Orioles; June 12—Dodgers vs. Braves; June 13—Indians vs. Red Sox; June 14—Dodgers vs. Orioles (was rained out on May 14).

## Blames Policy For Riots In Formosa

Recent anti-American rioting in Formosa was not against Americans as Americans as American but was a demonstration against U.S. policy, declared E. Raymond Wilson, just back after a year in Japan and visits to Formosa, Hong Kong and Korea. He has been representing the American Friends Service Committee in Japan.

Mr. Wilson, in an interview at the Biltmore Hotel in Los Angeles, said it was his opinion that it is better for Americans in another country to be subject to the laws of that country.

"Extra-territoriality gets us into more difficulties than not," he said. "The time has passed when the white man is a law unto himself."

He attributes the Formosa rioting to nationalism rather than to communists because "if there is any place in the world where Communism is suppressed it is in Formosa."

Mr. Wilson, a Quaker spokesman for the Friends Committee on Legislation in Washington, D. C., is returning to the Capital where he will concentrate on efforts for universal disarmament.

He will discuss stopping the H-Bomb tests as a first step in disarmament at a public meeting in Los Angeles Friday at the First Baptist Church at 8 p.m. His subject will be "Japan's Atomic Fears—Our Stake in This."

### Your Health...

## Whooping Cough Can Hit 95 Per Cent of Population

By Roy M. Gilbert L.A. County Health Officer

Pertussis is the Latin name doctors generally use when they speak of whooping cough. Whatever it is called, whooping cough remains a dangerous infection that has world-wide distribution and to which 95 per cent of all individuals are susceptible.

About 60 per cent of the deaths caused by whooping cough occur among infants, and 90 per cent of all fatalities from this dangerous malady happen to children under two years of age. High

susceptibility to the disease continues throughout childhood, but is greatest among pre-school children.

The first symptoms of whooping cough are those of a common cold—sneezing, runny nose, a persistent dry cough, and sometimes a slight fever. After about 10 to 14 days, the coughing becomes more violent and may lead to the typical "whoop" that occurs when the patient draws in his breath during a coughing spasm.

IN THESE cases, attacks

of coughing may be extremely weakening and usually continue until vomiting occurs. However, it is not uncommon for both children and adults to have the disease without developing any whoop at all.

Whooping cough, which is spread by the infected droplets expelled into the air during coughing, is generally preventable. The prophylactic vaccine against the disease is usually included with a toxoid that builds up resistance to diphtheria and

tetanus as well. This combined immunization is commonly referred to as DPT, and preferably is started after two months of age. The initial protection requires a series of three injections given one month apart.

It is a mistake to think that protection given at this time provides continued immunity. The maintenance of immunity requires that a "booster" dose of vaccine be administered within one year after the initial injection, and at two-year intervals thereafter until the child is ready for school.

No claim can be made that immunization provides complete protection against whooping cough—even an acute attack of the disease fails to do that. However, most physicians are agreed that the injections do greatly reduce the chance of infection or reduce the severity of an attack in those cases where immunity proves less than complete.

CERTAIN of the antibiotic drugs have been found valuable in reducing both the severity and duration of the dangerous "whoop" stage. At the same time, the incidence of secondary infections, including pneumonia, are controlled and brain damage that may occasionally give rise to personality changes is prevented.

Regardless of available treatment, if a pre-school child has not received protection against whooping cough, and also the other two diseases, namely, diphtheria and tetanus, that compose this dangerous triad, it is an instance of gross negligence that could well be deeply regretted.

A pamphlet giving additional information on whooping cough will be mailed to anyone sending a card of request to the Division of Health Education, Los Angeles County Health Department, 241 N. Figueroa St., Los Angeles 12.

**Garden Notes ...**

**Total Shade Area Is Good Spot for Ferns**

If you have an area of total shade in your garden, consider yourself fortunate, says the California Association of Nurserymen, and take advantage of the situation by planting ferns and other plants that thrive in deep shade.

Although there are some ferns that will survive in locales with only partial shade the majority of them prefer deep shade with a moist cool bed for their roots. The most important cultural requirements for ferns, after shade, are perfect drainage and soil that is well aerated to make room for spreading roots.

Ferns often have a root spread comparable to their height or larger; for example, a six-foot fern can have a 10-foot spread. The roots grow shallow and even above the ground so take care in planting to not place the roots too deep.

THE IDEAL soil for growing ferns is a moist leafy one; ferns can also be successfully grown in mixtures of fir and redwood sawdust or woodchips. These planting media will hold moisture for a long time. Fish meal added to the soil during the

growing season is beneficial. In pruning ferns it is best to wait until new growth has begun in spring before cutting back old fronds (branches). In the fall ferns make root growth and use the food stored in old fronds. During the winter, the old fronds often fall and form a protective mulch for new spring growth. Wait until well after frost before cleaning up old fronds.

Ferns can be handsomely combined in shade plantings with azaleas, rhododendrons, fuchsias and camellias. Plant them under the deep shade of a group of trees, in dark corners against the house, or as a background for small shrubs. There are some ferns that grow tree size and these are attractive in tubs or under high-branched trees.

There are many fern varieties to choose from; the Western Sword Fern (Polystichum munifolium) is an evergreen, quite hardy and grows attractively in tufts. For an interesting outline or silhouette, the unusual Hart's-Tongue (Phyllitis scolopendrium) makes an attractive planting. The Sensitive Fern (Adiantum sensibilis) forms a lush carpet of summer greenery. This is a

creeping type of fern that prefers an extremely moist planting location.

OTHER PLANTS that will give you a carpet of greenery in shade are the Carpet Bugle (Ajuga reptans), Baby's Tears (Helxine Soleirolia), the Jewel Mint of Corsica (Mentha Requienii) and the Yerba Buena (Microseris Chamissonis).

The Carpet Bugle is fast growing, forming a thick mat, with flowers of purple-blue or pink, suitable for non-traffic areas. Baby's Tears is a creeping, moss-like perennial herb with light green, round leaves and inconspicuous white flowers; it forms a thick mat but will not stand foot traffic.

The Jewel Mint of Corsica resembles Baby's Tears but it is slower-growing with purple or violet flowers and a delightful fragrance to its foliage when pinched or stepped on. This shade loving ground cover will tolerate some light foot traffic. Yerba Buena is a native perennial; it creeps as it grows with minty fragrant foliage and small white, lavender-tinted flowers. The Yerba Buena prefers deep shade with plenty of moisture and no foot traffic.

#### FRESH PLUM DESSERTS ARE PLUMB DELICIOUS

Fresh plums  
have a deligh-  
tful tangy flav-  
or. And you  
may enjoy  
them from  
June to Sep-  
tember.

Do keep a  
supply in the  
fruit bowl for  
handy eating.  
Put them in  
lunches that  
you pack. And  
use them to make tasty desserts  
that are just plumb delicious.

#### DUTCH PLUM CAKE

1 C. sifted flour  
1 1/2 tsp. baking powder  
1/2 tsp. salt  
3 Tbsp. sugar  
1/2 C. shortening  
1 egg, beaten  
1/4 C. milk  
Firm ripe plums  
1 tsp. cinnamon  
1/4 tsp. nutmeg  
3 Tbsp. sugar  
3 Tbsp. melted butter  
1/2 C. currant jelly  
1 Tbsp. hot water  
Sift together flour, baking  
powder, salt and 3 Tbsp. sugar.  
Cut in shortening until like  
coarse meal. Combine egg and  
milk and stir into flour mixture.  
Spread dough in oiled 8"x8"x2"  
baking pan. Cut plums in eighths,  
quarters, or halves (the larger  
the plum—the more pieces) and  
arrange, cut side down and slight-  
ly overlapping, in rows on top of  
dough. Mix cinnamon, nutmeg,  
3 Tbsp. sugar and melted butter  
and sprinkle over plums. Bake  
at 400° about 35 min. Beat jelly  
with hot water to make syrup.  
Drizzle over top of cake when it  
is done. Cut in squares and serve  
warm with Sunshine Sauce.

#### SUNSHINE SAUCE

1 egg, separated  
1/4 tsp. salt  
4 Tbsp. brown sugar  
1/2 C. whipping cream  
1/2 tsp. vanilla  
Beat egg white with salt until  
frothy. Slowly beat in 2 Tbsp.  
sugar, beating until stiff. Beat  
rest of brown sugar into egg yolk  
and beat until thick. Fold yolk  
mixture into egg white mixture.  
Fold in whipped cream and van-  
illa.

#### PLUM DESSERT SAUCE

2 lbs. fresh plums  
1/2 C. water  
1 C. sugar  
1 Tbsp. cornstarch  
1/4 tsp. salt  
1/4 C. cinnamon  
1 Tbsp. butter  
Wash and drain plums. Cut  
into eighths and save out one  
cupful. Put remaining plums and  
water into a saucepan. Cover  
and simmer 10 min. Mix to-  
gether sugar, cornstarch, salt and  
cinnamon. Stir sugar mixture  
into hot plum sauce and continue  
cooking, stirring constantly, over  
medium flame until sauce thick-  
ens and clears. Add butter and  
balance of sliced plums. Serve  
warm or cold over thick slices of  
pound cake or wedges of angel  
food or sponge cake. Serve cold  
over vanilla ice cream.

## "Frankly, I'm afraid to drive..."

Hazards of today's traffic are causing  
many people to stop and think about using  
Metro coaches in going to the office or  
on a shopping expedition.

Metro service between points is fre-  
quent and dependable. "Flyers" operate  
between Los Angeles and outlying com-  
munities to provide fast, limited-stop  
schedules at the two peak traffic periods.

FREE—Big, colorful map showing routes of all Metro  
coaches serving 135 communities in Los Angeles, Orange,  
Riverside and San Bernardino Counties. Mailed with  
detailed schedule of Metro service in your community.  
SY. 3-2723

Why not try Metro? It's the smart  
thing to do when you want to go places—  
but don't like the idea of driving through  
today's traffic.

Your Metro operator is a skilled driver  
chosen for courtesy, dependability, and  
character. That's why you can "ride with  
Metro and relax."

## WHY does it take three?

ANSWER: Because LaMotte, Salisian and Shattford will each make a dis-  
tinctive personal contribution to the School Board — and pull together, too.

You've seen billboards urging you to vote for  
LaMotte, Salisian and Shattford in the Board of  
Education election next Friday, June 7th. A neigh-  
bor of yours may have left you a brochure about  
them. There's been a lot of talk about all the  
candidates, of whom only three are being  
supported together.

Some people still ask: "To what joint program  
are LaMotte, Salisian and Shattford committed?"

The answer is easy and unequivocal: **NONE.**  
Each of these candidates filed for office strictly  
as an individual.

Each is running strictly as an individual.

Each will serve strictly as an individual.

It takes no crystal ball to see, right now, that  
these three do not agree on some specific points  
at issue.

They do agree, however, on certain basic ideas,  
and that's why Citizens Supporting Good Educa-  
tion endorsed them.

They all believe that every child, regardless  
of his station in life, should have equal oppor-  
tunity at school.

They are aware that increasing enrollments  
and an inadequate supply of teachers place a  
severe burden on our school administrators.

They believe that these and other problems  
can be solved, well and agreeably, in an atmos-  
phere of mutual respect between School Board  
members and between Board and school staff.

They will restore that atmosphere to the  
Board.

They will do it by working together.

Yet each will make a distinctive personal con-  
tribution.

Citizens Supporting Good Education commends  
these three to you, therefore, not because they  
are alike but because they are different.

Your Vote for LaMotte, Salisian and Shat-  
ford on June 7 will help to create the better  
schools our children and our community deserve.
